

TEXAS DEPARTMENT OF AGRICULTURE
COMMISSIONER SID MILLER

January 19, 2021

Marsha Carson
Quality & Regulatory Administrator
Nicol Scale & Measurement
7239 Envoy Court
Dallas, TX 75247

Subject: Approval of Request to Seal Class F Cast Iron Standards/Weights

Ms. Carson:

The Texas Department of Agriculture (the Department) has received your request for Nicol Scales & Measurement to certify Class F standards as specified under your Certificate of Accreditation, Certificate #L20-665 for compliance with the Texas Administrative Code (TAC) §12.41 annual certification requirement for Class F standards/weights. Nicol Scales & Measurement's laboratory request has been reviewed and approved by the Department to certify Class F cast iron standards/weights 1 mg. to 25 KG as specified under Certificate of Accreditation, Certificate #L20-665 dated 10/26/2020.

If you need further assistance, please contact Christina Osborn at (512) 463-5706 or by email at Christina.Osborn@TexasAgriculture.gov.

Sincerely,

Christina C. Osborn
