

AN ISO 17025  
ACCREDITED COMPANY

## Measurement / Metrology Services

Items	Range
<b>Temperature items All ISO 17025</b>	
Oven Controllers	Any range
High limit controllers	Any range
Circle charts	Any range
Strip charts	Any range
Hand held thermometers up to two inputs per device.	2 to 3 T/C's
Hand held with only one input	only one T/C
Hot plates / surface plates	Any range
Oven uniformity surveys	Any range
Thermometers	-4 deg. F to 392 deg. F
Flux ovens	Any range
Rod ovens	Any range
Liquid bathes	Any range
Dry block temperature calibrator	Any range
Incubator	Time / Temp
<b>Pressure items All ISO 17025</b>	
Gauges	0-100 PSI 101-2,500 PSI 2,501-5,000 PSI 5,001 - 10,000 PSI
Go / no go gauges	up to 10,000 PSI
Vacuum gauges	-.30 to 0 inHg
<b>Transducers All ISO 17025</b>	
(Mv reading only)	0-10,000 PSI 10,000 - 20,000 PSI
<b>Welding machines All ISO 17025</b>	
With meters	any range
with out meters	any range
Hard banding machines	any range

**Timers All ISO 17025**

stop watches, timers, clocks

Any range

**Volt Meter / Multimeter All ISO 17025**

General purpose meters

Any range

**Power supply / All ISO 17025**

Any range

**RPM Non ISO 17025**

Contact and non contact

any range

Footage counter

any range

Hand held meter

any range

Centrifuge

any range

**Calipers All ISO 17025**

0-6 inches

6-12 inches

**Micro meters All ISO 17025**

0-6 inches

6-12 inches

**Depth gage**

0-6 inches per rod

6-12 inches per rod

**Dial Bore Gages All ISO 17025**

any range

**Dial Indicators All ISO 17025**

0 to 1"

0 to 2"

0 to 3"

0 to 4"

**Groove Gages All ISO 17025**

any range

**Height gauges All ISO 17025**

0-12 inches

**Coating thickness gauges non ISO 17025**

up to 40.000 thou/mil

above 40,000 to 80,000 mil

**Hand Tools All ISO 17025**

Huskie tools

Any Range
