NICOL SCALES & MEASUREMENT IS AN ISO ACCREDITED CALIBRATION COMPANY THAT HAS PROVIDED CALIBRATION, REPAIR AND SALES OF ALL TYPES OF WEIGHING AND MEASUREMENT PRODUCTS SINCE 1931.

SS6600 MAX-LT Floor Scale

MAXIMUM PROTECTION.
MAXIMUM EASY TO CLEAN.
MAXIMUM DURABILITY.

There's never been a greater need to protect your products and customers from deadly pathogens searching for a hard-to-access and clean place to grow. And until now, there's never been a better floor scale to ensure a safer, more sanitary production environment. The new SS6600 MAX-LT floor scale provides the maximum washdown protection with an easy-to-clean structure. Because it's so easy to sanitize, you can be confident that the SS6000 MAX-LT's base is safe, hygienic and ready to assist you in maintaining high standards of sanitation and to pass a government agency or third-party safety audit.

PENNSYLVANIA SCALE COMPANY

MADE IN THE USA

SS6600 MAX-LT FLOOR SCALE

Maximum washdown protection

All-304SS construction extends to the diamond-plate deck, frame, welded-seal IP69K load cells, leveling feet and hardware, making the SS6600 MAX-LT ideal for high-pressure, high-temperature and caustic-cleaning chemical washdown, day in and day out.

Maximum cleanability

An innovative lift-top deckplate with gas-strut assist allows full access to the solid-bar frame with continuous welds for an extremely sanitary design. No open tubes, crevices or limited-access areas mean pathogens have nowhere to establish a foothold and contaminate your product.

Maximum durability

The 304SS heavy-duty deckplate, structural frame load cells and hardware are designed to survive and thrive in the most challenging real-world manufacturing environments. You can depend on the SS6600 XLT floor scale to provide superior weighing performance for the long run.

APPLICATIONS

- Meat, poultry and seafood processing
- Chemicals, solvents and acids
- Food processing and manufacturing
- Pharmaceuticals, supplements and nutraceuticals
- Aerospace, defense contractors and munitions
- Paper, printing, ink and paint manufacturing
- All sanitary washdown process industries

OPTIONS

- Pair with an outstanding Pennsylvania Scale Digital Weight Indicator
- 7600/4 WD, IP66K High Pressure Washdown Protection, 304 Stainless Steel Enclosure and Hardware. Full numeric and multifunction keyboard including Zero, Tare, Keypad Tare, Gross Net, Print/Data Output, Units and setpoint value entry functions

- 7400 WD, IP66K High Pressure Washdown Protection, 304 Stainless Steel Enclosure and Hardware. Simple operation with Zero, Tare, Gross/Net, Units and Print/Data Output functions.

- Contact Pennsylvania Scale to discuss your application requirements so we can recommend the best standard or custom design system for you.

Available Sizes

Model Number	Dimensions	Capacity
SS6600-3636-1K MAX-LT	36" X 36"	1,000 lbs.
SS6600-3636-2K MAX-LT	36" X 36"	2,000 lbs.
SS6600-3636-5K MAX-LT	36" X 36"	5,000 lbs.
SS6600-4848-1K MAX-LT	48" X 48"	1,000 lbs.
SS6600-4848-2K MAX-LT	48" X 48"	2,000 lbs.
SS6600-4848-5K MAX-LT	48" X 48"	5,000 lbs.
SS6600-4848-10K MAX-LT	48" X 48"	10,000 lbs.
SS6600-6060-5K MAX-LT	60" X 60"	5,000 lbs.
SS6600-6060-10K MAX-LT	60" X 60"	10,000 lbs.

MADE IN THE USA!

Manufactured in our plant in Lancaster, PA plant providing **some of the fastest lead times in the industry**!
