SETM2

Load Cell Mount Kit

**Versatile
Serviceable
Durable**

The SETM2 Mount is designed for secure, stable weighing in demanding industrial applications. Featuring a wide bottom base, the SETM2 simplifies installation by enhancing access to anchor holes for improved stability and faster setup. The SETM2 is engineered to reduce technician frustration with smarter mounting features for reliable results.

Complete Kit Solution

Includes mounts, load cells, 25' of home run cable and a NEMA 4X stainless steel junction box

Durable Construction

Available in zinc-plated steel or stainless steel for enhanced corrosion resistance

Wide Bottom Base

Provides increased stability and improved access

System Capacity

Capacities from 1.5k to 40k for flexibility across multiple applications

SureShot Base Plates

Ensures accurate alignment with easy-to-drill anchoring holes

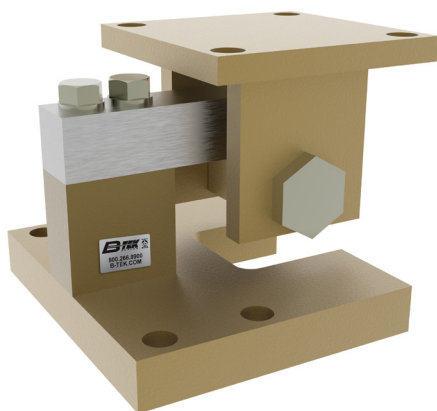

SETM2

Load Cell Mount Kit

Versatile
Serviceable
Durable

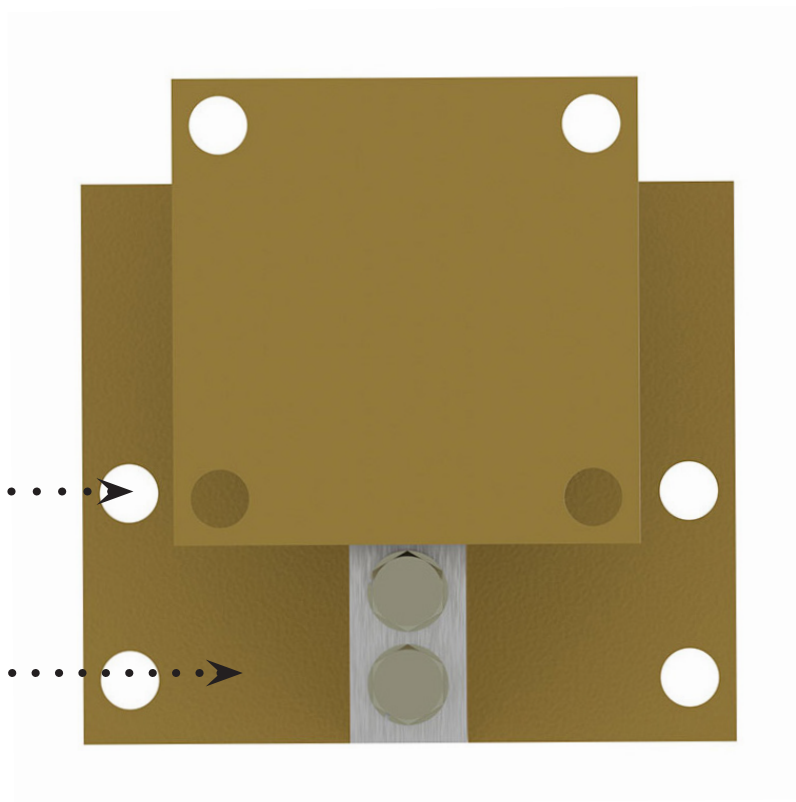

The EZTM2 kits are available in 3 and 4 mount configurations and include mounts, load cells, 25' of home run cable and a NEMA 4X stainless steel junction box.

Designed for use in demanding environments, these mount kits are ideal for applications such as tanks, silos, mixers, grinders, hoppers and material handling systems.

SureShot Base Plates
Ensures accurate alignment with
easy-to-drill anchoring holes

Wide Bottom Base
Provides increased stability and
improved access

Mount Quantity	Total Capacity					
3 Mount Kit	1,500 lb	3,000 lb	7,500 lb	12,000 lb	15,000 lb	30,000 lb
4 Mount Kit	2,000 lb	4,000 lb	10,000 lb	16,000 lb	20,000 lb	40,000 lb
