SUBJ: New FB2550 NEMA 4X instruments

Fairbanks is pleased to announce the availability of the new NEMA 4X versions of the FB2550.

There are two new offerings:

- NEMA 4X desk/wall mount FB2550
- NEMA 4X panel mount FB2550

Please see the following page for details.

If you have any questions, concerns, or comments feel free to give me a call at 816-448-4249 or by e-mail to dmashaney@fairbanks.com

NEMA 4X Desk / Wall Mount FB2550

Provides all the same features of the desk mount FB2550 in a wash down enclosure.

The desk / wall mount bracket is included allowing the FB2550 to be easily placed on a bench, table, or desk or . . .

Reposition the bracket for easy wall mounting using the key hole mounting slots in the bracket base.

Pricing for the NEMA 4X desk/wall mount instrument was included in your February 2012 Instrumentation catalog section.

NEMA 4X Panel Mount FB2550

The same dimensions as the standard NEMA 12 Panel mount FB2550, the NEMA 4X Panel mount FB2550 is ideal for harsh control room applications.

The NEMA 4X Panel mount FB2550 features an easy access front panel USB port for quick data transfer to USB jump drives or for QWERTY keyboard use. When not in use, the USB port is protected by the water proof seal. See photo at right.

Pricing for the NEMA 4X Panel mount instrument was included in your February 2012 Instrumentation catalog section.
